*To work independently in the print workshop artists must either be classified as professionals or be inducted into the use and safety rules of the workshop. These are contained in the Workshop User Guide.*

### *Professionals*

Professionals are printmakers who can show prior qualifications/experience OR have attended a minimum 2-day workshop and induction in the technique for which the artist is booking the studio; OR have attended several days access with a group with a professional in charge who will sign off to say the artist knows how to use the presses, is competent at OH&S and housekeeping in the technique for which they are booking the studio.

### *All Artists*

It is the responsibility of all artists using the workshop to comply with OH&S and all other workshop instructions which are displayed in the User Manual and/or the workshop, and to sign a Waiver Agreement.
